

TECHNICAL DATA SHEET - TDS

Article	Merlin Advance Series	
Items	MF-825/833/846	
Packaging	5 ltrs. / 2 liter	
		IT-2149 - 10/9/18 Ed/Rev. 2/3 ENG.

Description Fuel for Glow Engines.

Composition Oil Mix Synthetics + Castor (9%)
Nitromethane; 25, 33 or 46%
Additives: Anti-foam, Hi-Res Package.

Use Glow engines 21, 25 and 28. Specific Racing Fuel for Off-Road. Buggy, Truggy and Monster Truck. Also suitable for 21 GT engines and Rally Game.

Item	Article	Density gr/cm ³ 20°C	Nitromethane (Vol.)	Nitromethane (Weight)
MF-825	Merlin Advance 25	0,901 ± 0,005	25 ± 0,10	28,37 ± 0,10
MF-833	Merlin Advance 33	0,925 ± 0,005	33 ± 0,15	37,45 ± 0,15
MF-846	Merlin Advance 46	0,968 ± 0,006	46 ± 0,15	52,21 ± 0,15

Features and benefits.

Merlin Advance offers an easy carburettor tuning, thanks to a well studied oil viscosities distribution. Thanks to the new additive package **Hi-Res** Merlin Advance provides a **clear combustion**. Advance does not leave carbon deposits or piston head darkening.

Moreover, it can clean former combustion marks in the engines.

It provides a reliable lubrication even under lean tuning, increasing the mileage and reducing the engine operating temperature.

It provides the ultimate bearing protection, thanks to its new corrosion inhibitor.

Storage

Merlin Advance will remain suitable for at least 12 months when stored in their original packs on a dry place at storage temperatures below 25°C and above 10°C.

Please, read carefully the safety instructions in the label. Glow Fuels contain methanol, so that they are classified as **toxic**. For further information, please, read MSDS. You can also consult MSDS at www.merlinfuel.com

All information concerning this product and/or suggestion for handling contained herein, are offered in good faith and are believed to be reliable. Merlin Fuel, however, makes no warranty and/or sufficiency of such information, as to the products merchantability or fitness for any particular purpose. Buyer must determine by himself by preliminary tests or otherwise, the suitability of this product for his purpose.
